

STAFFORD MIDDLE SCHOOL  
MUSIC EDUCATION  
GRADE 8 POWER POINT PROJECT

Assignment: Create a Power Point presentation describing your favorite band or musical artist. The size of this presentation should be no less than 10 and no more than 15 slides. If you are working on this at school, please save all information on your "H" Drive, if you are working on this at home save all information to a CD or when complete, e-mail it to me as an attachment.

YOUR PRESENTATION SHOULD INCLUDE THE FOLLOWING INFORMATION:

1. Opening Slide, including group or artist's name, your name, class project and due date.
2. Two or three slides with biographical data. This should include date and places of birth, education, family history, musical education, why music was a career choice, types of jobs (musical and non-musical), date and place of death, if dead, and any other interesting data.
3. Two slides with 2-3 photos per slide with text describing each picture.
4. Two slides describing the style of music your group or artist plays and what instrument they can play.
5. One or two slides containing a discography of all albums they have released. Please include some pictures of album covers.
6. One slide listing their current tour schedule or a previous tour schedule (if they are not touring).
7. Two or three additional slides with images of the group or artist.
8. Final Slide – A bibliography. All photos and information gathered must be properly cited. **DO NOT JUST CUT AND PASTE INFORMATION. IT SHOULD BE IN YOUR OWN WORDS.**
9. Use any graphics or special effects that you would like to enhance the program.
10. **BONUS POINTS** if you can add video or audio files to the program.
